

**GREENWAYS + BLUEWAYS**  
NORTHWEST INDIANA REGIONAL PLAN

DRAFT DOCUMENT

OCTOBER, 2016

*PREPARED BY*

## **Editor's Note**

The following document represents the first draft of NIRPC's *Greenway+Blueways 2020 Plan*. This has been released as part of the public comment period ahead of the final adoption.

The formatting of the plan is preliminary, although the content is complete. As such, the reader will experience several pages of blank white space, which are ahead of large graphics or tables. NIRPC staff has intentionally created these pages so as to provide the reader the clearest view possible of the many visuals within the document. The final draft of the Plan will be formatted as such to eliminate these blank spaces. In addition, pictures will also be added to enhance the reader's experience.

NIRPC staff encourages feedback on this draft document throughout the comment period, and if you wish to contact us directly, please feel free to do so. Please contact Mitch Barloga at either [mbarloga@nirpc.org](mailto:mbarloga@nirpc.org), or 219-741-3283.
