#### **Amendments**

There were no amendments presented.

#### **Scope Change Requests**

- a) Gary – 0710064 – Intersection Improvement, 15<sup>th</sup> Ave and MLK Drive transferring funds to 1600418 – Airport Road Reconstruction
- b) Gary – 1172078 – Ridge Road reconstruction funds to 15<sup>th</sup> Avenue Gateway Project and local funding portion of 160176 – US 12/20 improvements in Miller.

Jack Eskin gave a presentation on these scope change requests by the City of Gary. There were concerns with whether or not the Ridge Road reconstruction would actually take place and also with significant scope changes. It was decided that Gary would need to take this out for a 30-day public comment period. On a motion by Jeff Huet and a second by Phil Gralik, the committee voted to defer this action until after the public comment period and review by NIRPC staff and this committee.

#### **Additional Funding Requests**

- a) 1401045 for the City of Hobart in the amount of \$185,400 in additional HSIP funds.
  - b) 1600580 for GPTC for bus shelter revision in the amount of \$112,338.46 in additional STP funds.
- Charles Bradsky said these changes have to be made and funds are available. On a motion by Dean Button and a second by Phil Gralik, the committee voted to recommend these two funding requests.

#### **2050 Plan Presentation**

Trey Wadsworth presented on the 2050 Plan development as required by federal law every four years. The plan will build on the 2040 Plan and use qualitative scenario planning to identify different trends and influences and the selection of strategies to develop a comprehensive performance-based planning framework. Robust public outreach will be utilized to identify the desires of the stakeholders as well as the citizens throughout the elements identified in the 2040 Plan. All materials will be found on the NIRPC website.

#### **INDOT Policy Changes - Design**

Charles Bradsky said presented a draft INDOT policy change which will delegate certain responsibilities for design and related activities to LPAs for their projects. LPAs do have the option to still use INDOT if they wish.
