Michael McNeil, STIP Director
Indiana Department of Transportation
100 North Senate Avenue, IGCN N955
Indianapolis, IN 46204

Dear Mr. McNeil:

The Northwestern Indiana Regional Planning Commission (NIRPC) is submitting Amendment #15 to the 2020-2024 Transportation Improvement Program (TIP) via emergency amendment for inclusion in the Statewide Transportation Improvement Program.

The summary of this amendment is as follows:

- All of these projects are transit projects that have already been through the Public Comment process and have been approved by the Commission. However, the funds for these projects were in the FY 18-21 TIP. Two of these projects are for Complementary Paratransit, two are for planning, and one is for facility improvements.

It is necessary to submit this amendment in an expedited manner in order to allow proper amount of time to process NIRPC allocation of federal funds from the FTA. According to our adopted Public Participation Plan, the Executive Director can approve an emergency amendment by waiving a public comment period in two rare exceptions: life and safety, or the lapse of federal funds allocated to Northwestern Indiana. The attached project list contains the changes to be included.

Should you have any questions, please contact Charles Bradsky, Transportation Projects Manager at 219-254-2509.

Sincerely,

Tyson Warner, AICP
Executive Director
